

# SCRATCH BUSTER

GLASS RESTORATION COMPOUND

*“The light-weight alternative to replacement glass and mirror.”*

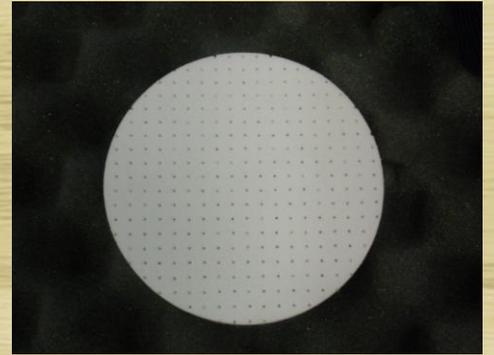

Starting in 1991, DeGorter, Inc. was instrumental in the development of a non-distorting system for polishing scratches out of glass.

Today, we are pleased to present you with our newly updated Scratch Buster System. This system is the light-weight alternative to replacing glass and mirror.

With the Scratch Buster System you no longer have to lose money due to scratches making your glass unusable. The easily transportable system allows you to take it to virtually any job site.

The Scratch Buster System removes scratches, water stains and other surface imperfections on glass.

After many years of research and development, DeGorter, Inc. has found a way to lower the cost of our scratch removal systems and we are pleased to pass those savings on to you.

## System works on all glass:

- Shower Enclosures
- Windows and Storm Doors
- Windshields
- Mirrors
- Heat Tempered Glass
- Chemically Tempered Glass
- Float Glass
